Overview - LLLAFVA...

- ...is an organization dedicated to representing all members (veteran, active duty and reserve) of the armed forces at LLNL. We support Veteran's affairs and activities at the Laboratory as well as those outside of the Laboratory and within the various communities in which we live.
- ...provides a support group for Veterans at LLNL, promoting fellowship and the commonality (camaraderie) we share with each other.
- ...promotes the continued recognition of Veterans through the observance of Memorial Day, Veterans Day, Military Birthdays, Veterans Memorials, and through the American Veterans Scholarship Funds.
- ...membership is open to all interested people, regardless of service.

Efforts - LLLAFVA...

- ...supplies at least two scholarships per year to both Las Positas and Delta Colleges for Veterans as well as their children to help further their education.
- ...supports the yearly "Day on the Green" celebration in August, raising money for its scholarship efforts.
- ...supports the East Bay Stand Down (this year at the Alameda County Fairgrounds in Pleasanton), benefiting homeless Veterans from all over the Bay area. LLLAFVA personnel have worked as tent leaders and counselors, kitchen help, security, communications set-up and on the organizational board. Services available at the Stand Down included flu shots, physicals, eye exams and free glasses, career counseling, housing counseling and benefits counseling.
- ... 'adopted' Ashby House (a transitional house for homeless Veterans) located in Berkeley. Money and goods are collected yearly from the membership to provide a Thanksgiving meal and Christmas stockings, as well as small presents and a dinner for Christmas for these formerly homeless Veterans.
